

# TOOLS™ FOR LAUNCHING A SUCCESSFUL JOB SEARCH\*

*for attorneys in transition*

*This program includes 5 hours of individual coaching, the administration of the Myers-Briggs Type Indicator, Skills Assessment, Values Instrument and 1 hour of phone follow-up.*

Your employees will:

- Take the Myers-Briggs to gain a clear understanding of their unique way of communicating, taking in information, making decisions and responding to others;
- Take our skills assessment and values instrument to identify what they will contribute to their future employers;
- Design a strategic resume to showcase their expertise;
- Clarify and articulate their personal "brand" and key selling points to position themselves effectively;
- Receive interview coaching to ensure that they effectively communicate how they will add value and to answer difficult questions with ease;
- Obtain our Job Search Action Plan™ that will provide them with the daily structure necessary to conduct a successful job search.

*\*Wisnik's process is meant to be a launch pad for a new job search and does not include job placement services.*
